

Second Degrees, Majors, and Minors

Requirements for a Second Bachelor's Degree

Students who have already received either the B.A. or the B.S. degree may wish to obtain the other bachelor degree. In order to receive that other degree, the student must successfully complete all requirements for the other degree (including a major) and at least eight additional full courses while enrolled as a regular full-time student in the college for two additional semesters. Students may not receive two B.A. degrees or two B.S. degrees from Sewanee.

Earning an Additional Major, Minor, or Certificate of Curricular Study after Graduation

Students who have already received the B.A. or B.S. degree and wish to earn an additional major, minor, or certificate of curricular study may do so by successfully completing at least eight additional full courses while enrolled as a regular full-time student in the college for two additional semesters and by fulfilling all requirements for the additional major, minor, or certificate of curricular study.
