GLBL 101 Global Citizenship and Study Abroad (1)

The course prepares students for study abroad experiences by introducing them to concepts of global citizenship, techniques for field investigation (borrowed mostly from anthropology), and, to a lesser degree, social processes of integration into a new host culture.

Prerequisite: Only open to students approved to Study Abroad.

GLBL 102 Global Citizenship and Reflecting on Study Abroad (1)

The course helps students to integrate their study abroad experience with their academic and co-curricular work at Sewanee. Students will discuss reverse cultural shock and readjustment to social life in the U.S.
