The official record of all grades earned and all courses attempted or completed is the permanent record from which transcripts are made. Upon written request of the student, the registrar will send “official” transcripts to institutional addresses, providing the student’s account is paid in full. In addition, the registrar’s office has agreed to provide for an upper class student, upon request, an additional sheet indicating basic information about a student along with a cumulative grade point average and rank and percentile within the class.
