

Civic and Global Leadership Practicum

Code	Title	Semester Hours
------	-------	-------------------

Additional Requirements

Students must complete an approved practicum requiring sustained engagement on one specific social issue working in a specific community, with a community organization, or on a specific social issue in multiple sites. The practicum requires an extended commitment over the period of two semesters and a summer or its equivalent (500 hours total). The practicum is overseen jointly by a faculty member and a site supervisor.
