

Physical Education and Athletics

Website: Sewanee Tigers (<https://sewaneetigers.com/landing/index/>)

All students must receive credit for two semesters of work in physical education deemed satisfactory by the Department of Physical Education and Athletics. Students must have earned one PE credit before the end of the first year, and a second PE credit before the end of the sophomore year. Exceptions may be made by petition to the College Standards Committee. Student completion or non-completion of required physical education courses is recorded on the transcript on a Pass/Fail basis. Each class generally consists of two scheduled periods each week of one hour in length. These courses do not count toward the thirty-two academic courses required for graduation.

The department offers instruction in various activities throughout the year governed by student-expressed interest.

Objectives

Among the objectives of this program are to:

1. Develop an enthusiasm for playing a game or sport well enough that it may be enjoyed both in college and later life;
2. Develop agility and coordination of mind, eye, and body;
3. Grow in understanding of, and develop skills in, maintaining physical fitness and overall wellness for daily living.

Intramural and Varsity Sports

Participation in a year-long program of varsity (or club) athletics in one sport yields two physical education credits.

The intramural program for men offers competition in touch football, volleyball, basketball, racquetball, golf, ping pong, pool, floor hockey, team handball, equestrian, and Ultimate Frisbee®. Women's intramural athletics include volleyball, basketball, softball, football, soccer, cross country, racquetball, and tennis.

Schedules are maintained in the following men's varsity sports: football, soccer, basketball, swimming and diving, baseball, tennis, golf, lacrosse, and track & field. Athletic activities for women students include the following varsity sports: basketball, cross country, equestrian, field hockey, golf, soccer, softball, swimming and diving, tennis, track & field, lacrosse, and volleyball.
