Immunization and Health Insurance

Immunization

Graduate students are required to provide proof of immunizations prior to enrollment in classes. Following is the list of required immunizations:

- Measles, mumps, rubella (MMR) - two doses, or proof of immunity
- Hepatitis B series - three-dose series, or proof of immunity
- Varicella vaccine - two doses, or proof of immunity
- Tdap (Tetanus, diphtheria, pertussis), in the last 10 years
- Tuberculin Skin Test (within 6 months), or QuantiFERON®-TB Gold test
- Meningococcal (only required for under 22 years old)

Students living in a University residence hall who are under the age of 24 and have not had a meningococcal vaccine after the age of 16 years are required to have a booster meningococcal vaccine; students over the age of 24 who intend to live in a residential hall on campus are encouraged to speak with their healthcare provider for recommendations regarding this vaccine.

If you have any questions, please direct them to University Health Services (https://new.sewanee.edu/campus-life/flourishing/wellness-commons/health-services/) at (931) 598-1270.

Immunization records for graduate students must be received by the following deadlines:

- School of Theology
  - Academic Year programs – July 31
  - Advanced Degrees Program summer session — May 15
- School of Letters programs summer session – June 1

Records may be sent by fax to (931) 598-1746 or by email to uhs@sewanee.edu. Copies may be mailed to:

University Health Services
604 University Avenue
Sewanee, TN 37383

University Health Services can provide travel vaccines to students who may travel out of the country.

Health Insurance

The student must provide a copy of their insurance card to the administrator at registration.
